**INDEPENDENT AUDITORS' REVIEW REPORT
TO THE BOARD OF DIRECTORS OF
SOUTHERN PETROCHEMICAL INDUSTRIES CORPORATION LIMITED**

1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **SOUTHERN PETROCHEMICAL INDUSTRIES CORPORATION LIMITED** ("the Company") for the Quarter ended June 30, 2015 ("the Statement"), being submitted by the Company pursuant to the requirement of Clause 41 of the Listing Agreements with the Stock Exchanges, except for the disclosures in Part II - Select Information referred to in paragraph 5 below. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
3. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements with the Stock Exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. We draw attention to Note No. 3 of the Statement regarding computation of subsidy based on the provisional Retention Price (RP) in line with the Government's policy, as the final retention price has not been announced by the Department of Fertilizers. The necessary adjustments, if any, and its consequential impact will be assessed when the final retention price is notified.

Our opinion is not modified in respect of the above matter.

5. Further, we also report that we have traced the number of shares as well as the percentage of shareholding in respect of the aggregate amount of public shareholding and the number of shares as well as the percentage of shares pledged/encumbered and non-encumbered in respect of the aggregate amount of promoters and promoter group shareholding in terms of Clause 35 of the Listing Agreements with the Stock Exchanges from the details furnished by the Management and the particulars relating to investor complaints disclosed in Part II - Select Information for the Quarter Ended June 30, 2015 of the Statement, from the details furnished by the Registrars.
